**V-DAY SANTA BARBARA 2006**

SBRCC will be working with community members to produce Eve Ensler's "The Vagina Monologues" at the Lobero Theater. The date is tentatively set for Friday March 17, 2006. V-Day is a global movement to stop violence against women and girls. V-Day is a catalyst that promotes creative events to increase awareness, raise money and revitalize the spirit of existing anti-violence organizations. V-Day generates broader attention for the fight to stop violence against women and girls, including rape, battery, incest, female genital mutilation (FGM) and sexual slavery. There are many volunteer opportunities including cast, crew, stage design, sponsorship, advertising and ushering. If you are interested in getting involved, please email [hilary@sbrcc.net](mailto:hilary@sbrcc.net) for more information.
